

GAle GAtes et al. presents

RETURN

a new project by

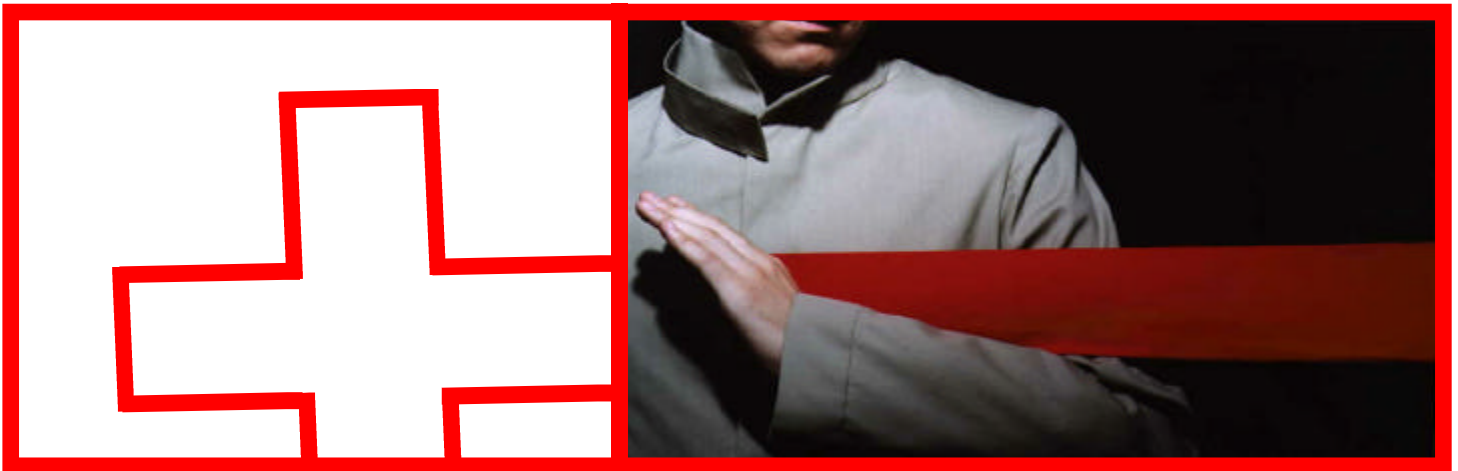

j Mandle performance

RETURN explores how simple choices resonate through people's lives. The performance is inspired by the story of a lost WWII Air Force navigator who travels through the landscapes of his mind, as the audience follows along with him from one performance space to the next, each with innovative costumes, choreography and music.

conceived & designed by **julia Mandle**

choreography with **stacey Napoleone** music by **paul Geluso** costumes with **johanna Bartha**
